

Northeast Region

Coordinator: TBD

Email: info@wearemass.org

Hey everyone! Festive greetings to all of you this December!

As we move closer into the holiday season, things are getting busier and busier around here. We hope everyone is taking the time to relax, and surround yourself with friends and family.

It's almost 2025! This past year has been so eventful that it feels like it's gone right by! As a quick new year's resolution, I hope to be even more supportive of everyone here in the Northeast. Maybe this next meeting, on December 18th, from 4pm to 5:30pm, you could share your own?

Hope you all have a festive time this holiday season!
