Hey everyone, and may I welcome you to the month of May? I think I will. Welcome to May everyone!

So real quick, I just wanted to say my sincerest apologies for the mix-up with Zoom this last meeting! It was out of anybody here at MASS's control. It turns out that Zoom had a nationwide outage and we couldn't meet even though we really really wanted to!

Something I look forward to later in the month of April, right before May starts, is attending the DDS Northeast Region Assistive Technology Fair on April 30th. I am sure that will be a very fun time and I will make lots of great connections on behalf of MASS.

Something I'm very proud of is the fact that I am a keynote speaker at the Annual Massachusetts West Region Self

Advocacy Conference, so feel free to come around and see me on May 31st! Details are below, and I hope to see you there!

For the month of May, our regional meeting will be on May 21st, from 4 to 5:30pm. For zoom information, check out the events calendar at https://www.wearemass.org/events.

I hope to see you all somewhere down the line this month, and am looking forward to it too!
