Can you believe we are already in April? A quarter of the year has already passed us by!

The presentation that Pauline gave at MIT went well! While it was a small class, we still had some great discussions from the students, and we think we made an impact on these business students who will soon graduate and go into the business world.

June is fast approaching, which means Pride Month! Keep an eye out for updates on the next Rainbow Cookout, and other events going on this summer.

Our most recent Rainbow Group meeting also went well, we had a few people join and had some great conversations. Hopefully more will join in our upcoming meeting below!:
