Hey everyone! We are officially in the back half of the year, as it is July! I hope you're ready for some big events we have coming up statewide, because MASS has some

awesome stuff planned.

At the last regional meeting we had a great discussion about the ADA (Americans with Disabilities Act) and what it means to us. We talked about my (Sam Muench) speech at the Western Conference, and we also reminded ourselves about the ADA day march and roll on July 23rd.

Speaking of which, I highly encourage you all to attend the ADA day march on the 23rd this month. It's very important that as many people as possible show up to represent how important the ADA is to us. I, Jenna, Daysiree and others are already planning on attending - come see us there!

To get prepared for this huge event, we are working with the Metro region on July 15th from 2:00pm-3:30pm to make signs for the march. If you want to make a sign, please attend that in person. You can find more information at the website.

(If the Metro regional meeting is not there, please check back later!)

For those not interested in making signs, but still interested in supporting the region, there is going to be the Northeast Regional meeting on July 16th, from 4pm to 5:30pm. I look forward to seeing you there!

Please stay cool and stay connected, I look forward to seeing you all whenever I see you!
