Hello and Happy New Year from the Metro Region!

Wow, can you believe it's already 2023? The Metro Region had an eventful year this year, especially during the month of December. This December we came together to celebrate the holiday season, and share some of our goals for the New Year. One thing is for sure, the Metro Region is ready to make 2023 the best year yet!

Make sure to stay up to date with the Metro Region this month as we will be holding elections! We are going to come together to vote on who we think can guide the Metro Region in the right direction for the new year of 2023. Think you can help us? Make sure to attend our Metro Region Drop in on January 10th as well as our Regional Meeting on January 17th!
