Hello Metro Region, and welcome to the wonderful month of November!

There are many things to celebrate this month including Veterans Day, Thanksgiving, Native American Heritage, and also world kindness day! With so much to celebrate this month we sure have at least a few things to be thankful for! Remember, while the month of November is a time for thankfulness you can be thankful for the little victories as well as the big ones!

One thing in particular we are thankful for is the opportunity to meet in person at Beaverbrook Step. It is a

wonderful opportunity to get out into our Metro community and strengthen our support! This month we will be meeting in person at Beaverbrook Step on Friday, November 17th from 4-5PM. Here is a picture from one of our past in person meetings at Beaverbrook!

This month we will be holding our regional meeting on November 21st from 6-7:30 over zoom! To get all the information you'll want to check out our events page by going to wearemass.org/events. Our events page is one of the best ways to stay connected and up to date with all the events happening in our region, and statewide!

As always, if you'd like to get more involved with our region or have any questions, reach out to regional coordinator Jenna DeSpirito at jenna.despirito@wearemass.org or by phone

339-832-2922. We are always looking forward to helping people get involved, and stay involved with our region!
