Welcome to the month of July Metro Folks! It's hard to imagine that it is already July! Am I the only one who feels like time is just flying on by? Or, have the rest of you been able to spend this summer relaxing so far?

July is an exciting month for a number of reasons! The first being that it is of course the Disability Pride Month! That just means it is a month to celebrate our abilities, and make sure the voices within our community are heard. It's a reminder people with disabilities deserve to have the same rights and respect as people without disabilities. Which also reminds me that, this month is also the 35th anniversary of the Americans with Disabilities Act.

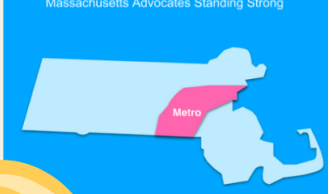

Are you looking for a way to celebrate the 35th anniversary of the Americans with Disabilities Act? Then you should join us on July 15th where we will be making signs and posters all about advocacy and the ADA. We will be meeting Tuesday, July 15th from 2:00pm to 3:30pm both in person and on zoom. Those meeting in person will be provided with supplies to make posters and signs, and snacks as well! We will be meeting in person at our office in Boston. The exact location is: 200 Portland St, Boston, MA 02114. Let us know if transportation is difficult for you, and we can discuss joining on Zoom with your own materials!
