Hello Metro Region and welcome to the month of March!

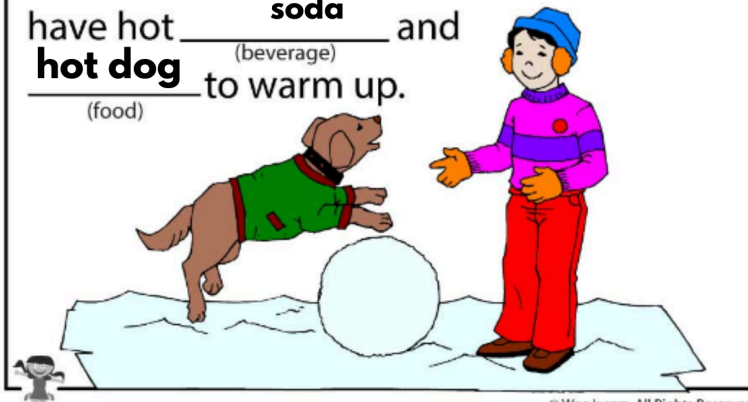

March is a special time of year for many reasons. We celebrate St. Patrick's Day in March, get ready for Spring, and also have the annual Legislative Reception at the Statehouse! With so many wonderful events to celebrate, how can we not feel lucky this month?

As we say goodbye to February, and hopefully Winter, let's take a look at this hilarious game of mad-libs our region played during our regional meeting this February. Regional meetings are the best way to stay up to date with what's

going on in Metro, and having some fun while doing so!

Snow Day!

So much airport fell from the dominican
(noun) (place)
last night that we got to stay home from
school! There are 5 inches of snow
(number)
on the ground, so we went outside to
make movies men and go riding
(noun) (verb -ing)
down a big hill. First, our mom made us
put on warm scarf and undergarments.

After we were done, we went home to
have hot soda and
(beverage)
hot dog to warm up.

Speaking of the annual Legislative Reception, this month it will be held on March 6th from 10:00 am - 11:30 am. The legislative reception provides everyone with a wonderful opportunity to meet your legislators, and tell them directly

what issues are important to you. All our or MASS Staff will be sure to attend, and continue advocating for our state and all of the self advocates in it. Speaking of state representatives, here is a little throwback to this summer where Metro's own Regional Coordinator (Jenna DeSpirito) and Sergeant At Arms (Adner Martinez) were able to meet Mayor Michelle Wu!

Want to stay up to date with self advocacy opportunities like these? Join us this month for our Metro Regional meeting on Tuesday, January 19th from 6-7:30. Be sure to register on eventbrite through our events page: <https://www.wearemass.org/events>!
