🌈🌈🌈🌈🌈

Happy New Year from all of us at MASS, and we hope you were able to enjoy them with your loved ones.

We're very proud of Pauline winning the Ralph Edwards Diversity & Social Impact Award at the 2025 TASH conference!

We are looking into other Rainbow groups that can be joined in person this year, so please let us know in the survey below where we could go, and what we could consider as we try to improve the current Rainbow Groups.

We hope to have more events and updates as the new year starts, so please fill out THIS SURVEY to give your opinion on what to do next, because it will help us make the Rainbow Support Group even better.
