Metro held elections at the September meeting!

*Congratulations* to the elected officers:

- **Chairperson Matthew Bander**
- **Vice Chairperson Kim Plaut**

We will elect a Secretary and Treasurer at a future meeting when we have more people.

Also, some members of the Metro group and self-advocates from other regions presented to classes at Boston University about self-advocacy and supporting students with disabilities.

Come to the October meeting where we will discuss which projects to start working on!
