Happy March from Central!

**We look forward to so many things in March!
March is when we celebrate St.Patrick's Day and when**

spring begins!

**March is also Intellectual and Developmental
Disabilities Awareness Month! Let's celebrate!**

**March 6th is Legislative Advocacy Day at the State
House! We hope to see you there!**

**Central met on zoom throughout the whole month of
February due to our winter weather. Jackie Dulmaine
was re-elected to the MASS Board! Congratulations**

Jackie! February was black history month and we talked about how advocacy can change the world! Some of us went to the Black History presentation with the Advocates of the Roundtable on Feb 29th! We also had a human rights discussion with Leo and SDM updates with Beth! Of course we talked about Leap

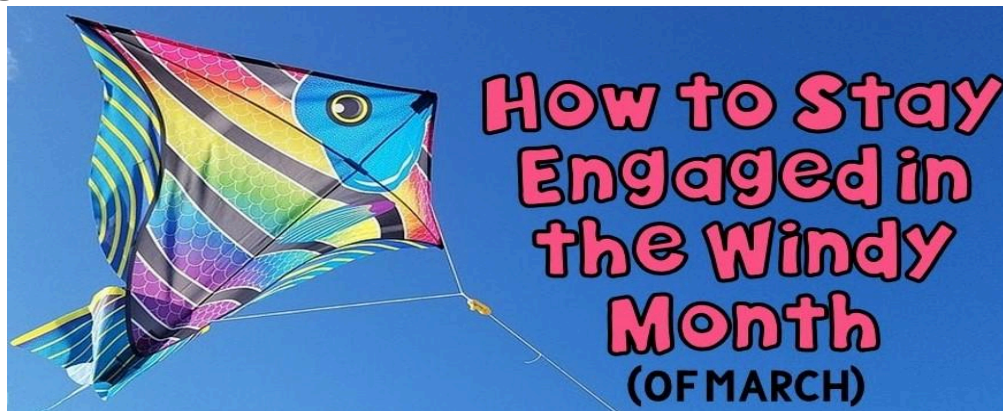

Year and our extra leap day this year!

The group decided to have some “chill, chat, and coffee” time starting in March to keep us connected

during this end of winter month.

In March we will also continue to talk about legislation, SDM, human rights, transportation, and what issues people want to speak up about. Regional

meetings are on the 2nd Tuesday from 5-7PM and the 4th Tuesday from 3:30-5:30PM. Once again, we wish you a happy March from Central!
