Hey everyone! So great to be entering the month of August with you all. Fun fact: The word “august” means respected and impressive. So let’s all have a respectful and impressive month, this month!

This past month of July had one of the big highlights of the year I think for me, and for a lot of people here at MASS: The ADA March in Boston! It went off without a hitch and was a truly wonderful experience to take part in. So many great people showed courage and bravery in getting themselves out there, and I’m very proud of everyone who attended. I encourage you to read about it here: https://www.wgbh.org/news/local/2025-07-23/disability-community-celebrates-35-years-of-ada-amid-fears-of-program-cuts

In the last regional meeting we spent time getting ready for the event, collecting quotes and talking about how everyone could take part in some way. It really was all hands on deck for the ADA day event!

We also decided that we would be taking the month of August off in terms of having regional meetings. This is to give ourselves a bit of a break so that we can hit the ground running in September. I do hope you have a wonderful, relaxed August though.

Thanks for reading. Take care.
