It's finally December! We wanted to give a huge thank-you to everyone that came to the conference, and also attended Pauline's and Oscar's workshop!

Also congratulations to the Berkshire County Arc Rainbow Group, who won the John Gibbons Rainbow Group of the Year Award!

Rainbow meetings will be postponed until further notice, because we are going to figure out how to improve it for the future. Please fill out THIS SURVEY to give your opinion on what to do next, because it will help us make the Rainbow Support Group even better.
