Experiences with Self-Direction in Massachusetts Survey

Massachusetts DEVELOPMENTAL DISABILITIES Council
A Life of Opportunity

Help us understand:

- Why participants use Self-Direction.
- What is working well.
- Areas more help/support may be needed.
- Suggestions to make the program work better.
- Basic budget information.

Take the survey before Monday, November 10th:
surveymonkey.com/r/G6D986P

Eligibility

Massachusetts residents with IDD who use Self-Direction or their family members.

Purpose

The information collected will be used to help educate and inform leaders in our state about how Self-Direction is working well and how it can be improved.

Confidentiality

We will not use your name or identifying information when we share the survey results.

If you have questions or need assistance, contact:
Kaitlin Stober, MDDC Policy Research Associate: kaitlin.stober@mass.gov
