Central Update for September Mass Flash

Happy September from Central Region!

As usual, Central was busy enjoying the month of August, but we got rained out of two regional cookout days! We have rescheduled our cookout to a pizza party on September 13th....rain or shine!

We will celebrate all of the birthdays and we will have games too! Old friends and new are welcome, so please RSVP to Sue at Sue@wearemass.org if you would like to come. We are looking forward to meeting in person once again at HMEA Autism Resource Central on 712 Plantation St in Worcester. Thank you, HMEA! We will also continue our zoom meetings for Drop In Club and regional meetings. Last month we shared some fun memories at Drop In Club, and Fran facilitated karaoke! We hope to connect with the Frontier Club in the West Region soon! At regional meetings we talked about high school and transition experiences, the difference between certificates and diplomas, and how hard people work to earn their GED's. We also got a tour of Fran's new home, and a few members talked about their new places, living independently, or plans to live on their own!

Congratulations to Beth Kollett for signing the first supported decision making agreement in the state...Beth, you are part of history! Congratulations to Melissa Beauregard, Brian Kelly and John Mullaly who presented at a conference in Michigan! Many of us continue to work on issues that are important to us! We bring what we learn back to the group. We are continuing to create and discuss the RIGHT OF THE MONTH. We hope to meet with Leo this month to put together a presentation for DDS Service Coordinators in the future. We also look forward to the Governor Candidates Forum on September 8th! We hope to see you at our pizza party on September 13th at Autism Resource Central, 712 Plantation St

in Worcester! September is self-care month . Remember to do something nice for yourself! Once again, Happy September from Central Region!
