I had a good time being with everyone who came to Apex, it was great seeing you all in person and having fun together.

We are working on making some kind of late Friendsgiving/holiday gathering in the new year, but more details will be available as they happen. We're hoping to team up with Delta Projects for a big turnout!

We will not be having a Southeast meeting this month, so instead please come join the **Statewide Drop-In on December 12th from 5:30pm - 7:00pm** ([click here for Eventbrite registration](#)), and the **SDM meeting on December 13th, from 4:30pm - 6:00pm**.

The next Southeast Regional meeting will be on January 15th 2025, from 4pm to 5:30pm.

Happy holidays, everyone!
