Hello Northeast Region, and welcome to September! As the quote from the picture above tells us, this time of year is a time of transition. As we move from summer to fall, our region can begin thinking about what we'd like to focus upon in the coming months.

Thinking back to this summer, one highlight for our region totally has to be our in person meeting at the Salem Willows. It was so wonderful to be able to come together in person and make some new memories! It reminded us all that our region is full of amazing people, and that we can come together to create something beautiful! Pictured below is self advocate Paul who joined us that day.

September is a month of possibilities! Join us on zoom this month for our regional meeting or drop in meeting so we can continue working together to help our region grow!
