Hi Everyone, happy September! I can't believe summer is almost over. At the last regional meeting I was pleasantly surprised that they had a little birthday celebration for me. We had cupcakes and drinks. We talked about the MASS conference on November 22nd, and we also showed the ADA video on accessibility. It's available below:

We also talked about my upcoming podcast, the ADA rally and how it went, as well as the statewide drop ins. I hope everyone has a great September!

Also a heads up that there will be a legislative day at the Massachusetts State House on October 23rd. More details will come next month!

Enjoy the nice weather while we can!
