Metro Region can you believe that it’s already December? Time is going by so fast! As things get colder, and times get busier, I hope you all stay warm and have some fun. The most important part of the holiday season is to just enjoy yourself no matter how you celebrate! In our November Regional Meeting we shared some of the things we are thankful for, and also began planning for a future in person meeting! We are always looking to grow our Metro Family, and make sure everyone's voices are heard, so please feel free to attend! You never know the positive impact

you can have!
