Welcome Everyone to the beautiful month of September! Fall is one of my favorite times of the year because the weather cools down, and we are closer to Halloween. Plus, it used to mark going back to school so I always think of that excitement during this month too.

What do others look forward to in the fall? When September comes around do you start to think about some of your goals or things you'd like to work on? I know that I do. This month always feels like an opportunity for new beginnings! If you're looking for some inspiration you are more than welcome to come to our regional meeting! We will be meeting Tuesday, September 16th from 4:30 to 6 on zoom!

Speaking of new opportunities, or goals, it reminds me how in the month of October we will be returning to the Statehouse again! The exact date is Thursday, October 23rd from 1:30 to 3. Looking for an opportunity to get more comfortable with navigating the statehouse, talking to legislators, or learning about what bills are impacting the disability community? Join us at the statehouse!

I hope all of you have been able to have a relaxing summer, and we can't wait to see you all in September!
