Hello Metro Region, and Happy April! You know what they always say, “April showers bring May flowers” and I know all of us here are ready for Spring! Spring marks new beginnings, and hope! I am always amazed by what our region is able to accomplish together, and proud of us all. With the month of April comes new opportunities for growth for our region!

The month of March was full of laughter, and joy in our region. We came together at our regional meeting to play a hilarious game of Mad-Libs. The point of this game is to create a silly story that makes no sense! You can see our Mad-Libs down below:

A special shout out to other members of our Metro family, Kamisha Heriveaux and Will Fahey who will be helping to host our, “Cooking with MASS” event this month! It is going to be an awesome virtual event where you can learn how to cook healthy and delicious meals, taught to you by our very own Healthy Self Advocates team! The event will be happening on April 11th from 5:30-7:30 over zoom! See details below:

An additional shout out to our very own Matthew Bander who is working very hard to get donations for our 25th Anniversary Gala and Self Advocacy Conference in May! Matthew is doing an amazing job getting different organizations to donate prizes that will be raffled off at our conference on May 19th and May 20th.

This month our region will continue planning for in person meetings in the months to come! We had confirmation from Beaverbrook Step that we can use their Watertown location for a future in person meeting, woohoo! It is a beautiful building, and the people at Beaverbrook are awesome. We are working on possibly getting some guest speakers for our region as well. Be sure to attend this month's meeting if you would like to help us plan our next steps!

Join us on Tuesday**, April 18th from 6:00pm-7:30pm** for our Northeast Regional Meeting! The zoom information is down below:
