Hello Metro Region and welcome to the lovely month of June! With this month comes the official start of the summer, woohoo!

As we say goodbye to the month of May, it's a great opportunity to look back on the DDS Metro Tech Fair. We had Kamisha Heriveaux, and our regional secretary Will Fahey in attendance representing our region. They worked hard all day long letting people know about all the work we do here at MASS, and how to get involved with our region. We also saw Keith Miller, another regional regular! It was such a lovely time.

It’s the time of year where we find ourselves advocating along the sunshine and lovely weather of the summer time. For example, like our in person meeting coming up this month on June 18th! We will be meeting from 6-7:30 at Beaverbrook Step in Watertown to start off the summer with some self advocacy! The exact address is 85 Main Street, Watertown, MA 02472.

Looking to start off your summer with some self advocacy fun? Join us!
