Happy March! We had a very busy month in February preparing for the Conference. Thank you to many metro members for attending the conference! Kim, Anne and Austin along with another guest speaker, Hezzy gave a great presentation about Supported Decision Making. Anne gave another presentation about the history of Mass. Thank you to the presenters for giving their time and talents to the conference! Congratulations to our metro member, Kim for being elected to a board officer role!

During our February meeting, self-advocates discussed starting a few projects for the spring and talked about legislative topics like stop the shock. The group also talked about the conference and assisted a few members with signing up for the registration.

The legislative reception hosted by the ARC is on March 9th and will be virtual if you are interested in attending.

Our next meeting will be March 17th, 2022 from 6-7:30. We hope to see you there! Please contact Valerie at valerie.horn@wearemass.org if you have questions.
