Dear Metro Region, goodbye July and hello to the month of August! Sadly, we are now in the final month of the summer. Can you believe how quickly time passes? I bet some of you are looking forward to the fall and cooler weather haha!

As we say goodbye to the wonderful month of July, I want to make sure we talk about the Americans with Disabilities Act again! Which, celebrated its 35th anniversary this July! Did any of you see our fun countdown to celebrate this on our facebook page? We counted down the days to the 35th anniversary of the Americans with Disabilities Act by sharing

quotes from self advocates to make sure our voices are heard!

Speaking of making our voices heard, who was able to join the Boston ADA Day 35 Event? This was when we marched and rolled from City Hall Plaza to the Boston Common to celebrate the 35th anniversary of the Americans with Disabilities Act! Being there with everyone and chanting with everyone was an experience that I will never forget. It felt like such a magical day to see all of you show up and make sure the disability community can't be ignored! The ADA is here to stay…we will not go away! Here is a picture from the event with myself and Metro Regional chairperson Matthew Bander!

Now as we welcome the month of August, it's important to note that we will not be having a regional meeting this month. Our next regional meeting will be in September and we can't wait to see you all there!
