Hello Metro Region, and welcome to the wonderful month of May! It brings us so much closer to Spring, and Summer. To finally have some warm weather, and sunny days is something we've all been waiting for. Especially because so many of us in the region have shared that we like spending time outside!

During our last regional meeting in the month of April, we had a lot of fun together. Our regional sergeant at arms, Adner, shared about a recent legislative event he'd attended all about becoming more independent. It led to a great conversation with our group where we talked about how to get more involved with our local legislators. You all gave great advice about how to feel more comfortable when first starting to talk to your local legislators. For example, going with a friend to have some moral support!

Or, printing out ahead of time some of the things you're hoping to discuss with your legislator. It's always great to see our regional members get involved! We are planning some future trips to the statehouse, so be sure to continue to check out our events calendar at wearemass.org/events!

To put us in the Spring spirit, we spent some time talking about Fenway and the start of baseball season. We all took some time to listen to the song, "sweet caroline" by Neil Diamond and jam out! It reminded us how our regional meetings are a place to come and share about your different interests and passions.

We know the month of May is going to be a good one, and look forward to seeing you at our regional meeting! We will be meeting Tuesday, May 20th from 4:30-6:00 over zoom.
