Cotting Transition Institute

Cotting Transition Institute (CTI) is a center of excellence located on the Cotting School campus in Lexington, Massachusetts. Our programming is designed to educate and empower adults with disabilities (ages 22+). CTI is a place to make new friends and create community while learning and expanding your skillset.

Opportunities and events* include:

- Groups for learning daily living skills
- Recreational activities
- Social gatherings
- Seminars for parents and caregivers
- 1:1 consultations

We also offer an annual membership featuring additional benefits and services, such as:

- One complimentary consulting session
- Membership gift
- Early registration and 10% discount on seminars and events
- Quarterly members-only email newsletter
- Member directory
- Bi-monthly members-only events
- Resource library
- Access to Cotting School's Vision Clinic
- Private Facebook group
