

Central Region

Coordinator: Sue Moriarty
Email: sue@wearemass.org

Happy November from Central! Although the days are growing short, Central filled our days with fun and still enjoyed a busy month in October! October was bullying awareness month, down syndrome awareness and disability employment awareness month!

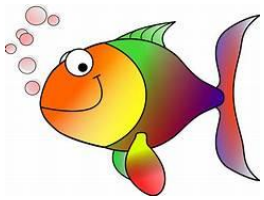

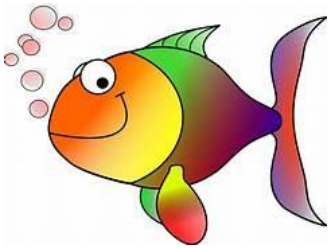

October is Bullying Awareness Month

We are still running our “Hooked on self-advocacy campaign” in Central. We plan to do a “hooked” presentation at Arc of Opportunity soon! Contact us if you want to work on some fish at your group! Or you can

decorate your own fish at this link https://www.wearemass.org/advocacy . It could be a dream. It could be a cause. It could be a Passion. We're coming together this season to share what we're hooked on. Download your fish and start sharing today!

At our October regional meetings, we had guest Benji Kemper come to talk with us about how to be better advocates around transportation! Leo also updated us on Human Rights. Some of us attended the Human Rights Network meeting as well. We continued to join in many statewide and national advocacy opportunities including our Spooktacular Halloween party near the end of October!

In November we think about what we are grateful for! The cold weather will bring us inside to continue advocating and connecting with each other. We will celebrate Native American Heritage month. We will be talking about voting and the elections.

We start the month with Drop-In Club on November 1st. Our regional zoom meetings in November will be on the 14th from 5-7PM and the 28th from 3:30-5:30PM. We hope to see you there!
