Hey everyone! Welcome to February, a month of friendship where we continue striving for equality in the footsteps of great leaders, such as Martin Luther King Jr!

Last January we had a fantastically fun regional meeting with its own custom built Jeopardy game, and started telling a story one word at a time (come by to see how it ends!). We also welcomed Sergeant at Arms Tim Holmes into the fold with his first meeting in his new role. (He did fantastic, by the way!)

We also re-stated that we want suggestions for groups that we here at MASS might be able to work with. Please send us an email if you think of any!

The next regional meeting is Wednesday, February 18, from 4:00 – 5:30pm. I also highly recommend coming to the Statewide Dropins, which will be linked below:

Drop ins:

Thursday, February 12, from 5:30 – 7:00pm

This month, there will probably be a lot of talk about Martin Luther King Jr. and his work. His work is a huge reason as to why we here at MASS are able to do what we do - it took a great deal of sacrifice by a great many people to get to where we are today. This is why it's so important to pay our respects to him, his work, and his legacy.

You might have heard recently of some very scary things going on in the world. I want to remind you all of a quote by the late, great, Mister Rogers:

"When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping.'"

We are here today, helping. But don't be afraid to look around and see you're not alone in doing so.
