Hey Metro, Happy March! This month is a wonderful reminder that soon enough Winter will be over, and Spring will be upon us. I think we are ready to welcome some sunny days, and warm weather!

The Metro Region was as busy as always during the month of February. This month we celebrated Palentines Day, the day of friendship. Both at our Regional Meeting, and Drop-in.We came together at our Drop-in to play our

very own Palentines Day version of Family Feud. During the game we got to share about the memories we've made over the years with friends at MASS. It was a Drop-in filled with laughter and fun!

This month our Regional Coordinator, Jenna DeSpirito, Kelsey Oates our Communications and Outreach Manager, and two of our SALS trainers Austin and Andrew Carr were given the wonderful opportunity to attend the Road to The Future Transition Fair at the Cambridge Rindge and Latin School. While we were there we were able to tell tons of people about what we do here at MASS, and also in the Metro Region. We might be seeing some new faces at our Metro meetings!

With the month of March comes even more opportunities for the Metro Region to come together, make new friends, and work towards the issues that matter most to us all. You won't want to miss out!
