Happy March Southeast Region!

We have a new Regional Program Coordinator who is very excited to begin working with the Southeast region! Her name is Katie Briedis and she has experience in advocacy as well as a degree in Community Organizing from the University of Connecticut. Her hobbies include running, hiking, and going to her monthly book club. She has three kids - two boys and a girl who keep her on her toes with lots of sports and school activities.

Katie is already very impressed with our work regionally and statewide and is looking forward to hearing what ideas we have for areas to focus on and events to make our work together fun! Please send her your ideas katie.briedis@wearemass.org or just say hi and introduce yourself.

Our next meeting will be Thursday, March 23 from 6pm - 7:30pm. We will be learning about how our legislative day went and talking about our upcoming conference in May! Join us and make your voice heard!
