Hello Rainbow! 🌈

We are SO EXCITED to announce that Rainbow has hired a new staff: Francesco Hladysz is the new *Rainbow Group Facilitator & Self-Advocate Trainer*! Fran uses he/him and they pronouns, and sometimes she/her. Here's a message from Fran:

"I believe in all colors of the rainbow, every shade. Everyone has a unique way of showing their abilities and strengths by reaching up to the clouds and showing their colors by their unique background. That is what makes us unique and makes a beautiful rainbow. Keep on going and don't stop believing. I am always open to suggestions, ideas, and comments from anyone. Please don't hesitate to contact me. Don't be shy. I am always here to lend a hand or two."
