Hello everyone, happy July. I hope you all are staying cool in this hot weather. Just a reminder we are having an ADA celebration. On July 14th we are making posters at the MASS office on [200 Portland Street](#) in Boston and then on July 15th we will be at Copley Square Plaza.

<https://www.boston.gov/calendar/ada-day-2026> Hope everyone can come. If you can come to both events that would be great.

We will not have a regional meeting this month, but we will have one in August. Details to Come Soon.

Hope everyone has a great 4th of July weekend.
