Theatre Companies

Actors develop and perform an original musical. The company votes on a theme, creates original characters, and improvises scenes. Scenes are then scripted to become an original one-act musical. Each performance presents two of these musicals in a double bill before a live audience.

Cabaret Companies

Actors agree on a theme for ensemble music and dance performances, and then each actor works with the choreographer and music director to develop solo and small-group music, dance, or drama performances.

Auditions for the Theatre Companies occur in the fall for shows the following spring. Cabaret Companies hold auditions in the fall and winter.

"As a parent and professional in the field of developmental disabilities, ArtStream is one of my favorite programs to witness and collaborate with. Attendees are more comfortable with a variety of communication partners across all settings. Even our non-verbal friends benefit from ArtStream programming, as I’ve heard two young adults speak for the first time during an ArtStream class. My face hurt from smiling!! Thank you ArtStream."

— Jenn Lynn, Executive Director, Upcounty Resources (UCR)

Together is a perfect title for this production, a perfect theme for our show, and a perfect description of the ensemble that created tonight’s presentation. Despite the necessary actual separations of the last (nearly) two years, this particular group of Cabaret actors and staff have always felt as if they are together. We care about and support each other, whether virtually or in person. No pandemic can truly separate us, and it is with that feeling of togetherness that we welcome you to tonight’s performance.

Pamela Bilik, Director

This performance is dedicated to the memory of Valorie Andrist
