

I would just like to remind everyone that our in-kind agreement with the Huntington Area Development Council (HADCO) will continue to allow RCAC to have a regular counselor presence in Huntington this fiscal year.

Sommer Straight will be available twice monthly in the HADCO office to provide or participate in trainings and to counsel clients and potential clients.

Sommer's Huntington schedule through the end of the program year is:

January 10th, 24th  
February 7th, 28th  
March 7th, 28th  
April 11th, 25th  
May 9th 23rd  
June 6th, 19th  
July 3rd, 23rd

Please work with Sommer to refer potential clients in the area. Mr. Lieving of HADCO has graciously made a conference room available for RCAC if any of you would like to schedule a training event or workshop.

We are grateful to Mr. Lieving for this partnership, and we hope that our resource partners will take advantage of this opportunity.

Have a great weekend!

Sincerely,

Donna George
