**COVID-19 has had a devastating impact on communities throughout Canada and Muskoka is no exception.**

As we begin to slowly emerge with new and important measures in place to remain safe, Muskoka is also turning its attention to what we can do to ensure our economy rebounds to pre-covid levels of activity. It is because of these impacts, The District Municipality of Muskoka, has launched the Muskoka Economic Recovery Task Force in cooperation with Area Municipal Economic Development Leads, Chambers of Commerce, Muskoka Parry Sound MP and MPP Offices, Muskoka Tourism Agencies and the Federation of Ontario Cottagers' Associations, the Muskoka Economic Recovery Task Force has been launched. Take part in this special feature that will call on our community to get behind locally owned businesses like yours.

Now is your chance to have your voice heard and reach out to your local customers!

There has never been a better or more affordable way to reach over 24,000 homes Muskoka-wide.
