RENTALS MONTH BY MONTH

HARP IN LA's rental pool consists of Lyon & Healy Ogden full lever harps (34), Dusty Strings Ravenna (34) full lever harps & one Lyon & Healy Troubadour III full lever harp (33) available for rent month-by-month.

The following conditions apply:

You must be taking lessons with a harp teacher in Southern California during the period of renting; you may rent as long as you like as long as you are taking lessons.

Monthly payments are \$68.00 made payable to HARP IN LA by check, your bank's ZELLE app. or bank auto-pay. You can opt to pay via credit card or Paypal, however your monthly payment will be \$72.00 to include administrative fees.

Our rental agreement requires current credit card information and a \$200.00 security deposit paid by check, which is refunded to you after the harp has been returned to HILA in the same condition as when the harp was originally rented out. The signed contract also requires your driver's license (or i.d.) number as well as the name & phone number of a friend or relative not living with you. For more information, we are happy to send you a copy of the contract in advance for review.

Rentals are always in demand; we continuously stock our rental pool, yet sometimes there may be a wait. Waits are normally not too long and we will contact you as soon as a rental becomes available. When rentals become available they are on a first come, first served basis - no holds. But ask, we'll try to work within your needs.

You are responsible to tune the harp regularly, practice, purchase and replace any strings which break during the rental period. You can find tuner apps for Androids and iPhones online, or you may purchase electronic chromatic tuners from your local music store or from Sylvia Woods Harp Center.

HILA is sure you will enjoy learning to play this wonderful instrument. If you have any questions, please connect with us. Enjoy playing the harp!
