Lockers & Locks
- Students are encouraged to purchase locker organizers (removable shelves) to help them store their books and belongings neatly.
- The school owns combination locks that students will borrow for the year. Students will not be permitted to use their own personal lock. If a student loses the school supplied lock, they will be required to purchase a new one from the office.

The school will supply unlined paper, graph paper, construction paper, math notebooks, duo-tangs, and subject dividers.

BYOD (Bring Your Own Device)
Students in Grades 7 & 8 will be required to have a personal device. These are the required specifications for BYOD at LCS for 2022-2023.

- Battery Life: 6hr minimum RAM: 4GB or higher
- SSD (Solid State Hard Drive) required Ability to run Google Chrome web browser
- Up to date Antivirus on Windows or Macintosh (Microsoft Defender, Avast, AVG, Kaspersky or BitDefender recommended)
- Built in keyboard (MS Surface Pro is acceptable) no iPads or Android Tablets

While a Chromebook is the minimum required for fulfilling our educational program, students and parents may find more value purchasing a higher quality Windows or Macintosh computer easier to work with in the long term, both for safeguards and performance
