JobsOhio Network Partner

The Ohio Aerospace Institute presents the Global Aerospace Industry Outlook & Update, an event highlighting what is pertinent to the aviation, space and defense sectors. This full day conference will explore topics impacting the aerospace industry from a global perspective, including supply chain needs, sustainable aviation, and AAM. Invited organizations such as Airbus, GE, Voyager Space, The Ohio State University, Parker Hannifin, RTX, and more, will provide updates and opportunities for companies looking to expand their impact. Attendees will also hear from federal and state government, as well as economic development organizations on plans and initiatives. The event will conclude with a reception to provide attendees the opportunity to network with business leaders.

Don't miss this unique opportunity to gain valuable insights into the dynamic world of aerospace.
