

SENIOR RECOGNITION

June 4, 2020

What fun it is to see how each senior looks when they were young, when they were in action at school, and as they graduate. Random group pictures are shown in the middle this video. Then towards the end, yard signs honoring each Class of 2020 senior are shown, along with the seniors upon receiving a surprise visit from CSD staff. (Prior to delivery, the signs were placed on the Eagles chair and videoed.)
