Week 1 Theme : Covid-19

ESY 2020 Newsletter

July 10, 2020

We had a great first week learning how to use Zoom breakout rooms, discussing Covid-19 and its symptoms, surges happening in which states using data-driven maps, making homemade masks, discussing ASL signs related to Covid-19 and the states that make up America, and keeping up on math skills. The students and our staff team have been amazing and fun to work with!

At last we hear the deep bass thump,
as waves on seashore crash and bump.
Now the shoreline spreads below;
we pull wings in, and down we go.
