FAQs

What is Kadima?

Kadima is the name of our Jewish Youth Group for 6th-8th graders in which pre-teens can come together to learn about various ways to connect their Jewish identity to their everyday lives through dynamic icebreakers, fun and diverse programming, cultural activities, and conventions. All of these opportunities are available on both the synagogue and regional level.

What will we do during Shabbaton?

Everything! Together we will eat, celebrate Shabbat together, make new friends, sing and have lots of *ruach* (spirit), make new friends, play games, and end Saturday night with a special program.

What is included in the price?

All busing, meals, programming, and our Saturday night activity is included.

Is there scholarship available?

Yes! Please contact the METNY office at metnyusy@uscj.org. Feel free to reach out to your synagogue as they will often offer scholarships for Kadima events.

I don't know anyone, will I be lonely?

Absolutely NOT! Right from the beginning, we'll have icebreakers, and at meals, it's easy to meet new people who are just like you. Plus, we bring in some USY leaders who become your mentors for the weekend to help answer all of your questions and make sure that you have an amazing time!

I am having trouble registering online.

Please be in touch with Gillian Bartell, our Assistant Regional Director, at gbartell@uscj.org. She is happy to help you through the process. Please be sure to indicate who your child is in the email so she can best assist you.
