MANAGING WOODLANDS 'WITH BIRDS IN MIND'

# Forestry for Maine Birds

The Forestry for Maine Birds (FFMB) approach integrates bird conservation into forest management and planning. You will learn how to:

- Improve habitat for priority forest birds and a variety of other wildlife species
- Take care of your woodland
- Work with other forest management goals
- Enhance the value and enjoyment of Maine woodlands for many generations to come

For more information contact [ffmb@maineaudubon.org](mailto:ffmb@maineaudubon.org)
