MODERATOR'S TOWN HALL SLATED FOR JUNE 4, 2020

FOR IMMEDIATE RELEASE

ELGIN, IL – Church of the Brethren Annual Conference Moderator Paul Munday has announced plans for a Moderator's Town Hall on June 4, 2020, at 7:00 PM EDT. The topic will be "Faith, Science, and COVID-19."

The town hall will feature Dr. Kathryn Jacobsen, Professor in the Department of Global and Community Health at George Mason University, Fairfax, Virginia. Dr. Jacobsen is a specialist in infectious disease epidemiology and global health who has consulted with a number of organizations during the COVID-19 crisis. She is also a member of the Oakton Church of the Brethren, Oakton, Virginia, valuing her connection to faith and the Church of the Brethren.

Commenting on the upcoming town hall, Paul Munday noted: "As we continue to move through the COVID-19 crisis, the relationship between faith and science is rising in importance, especially as church leaders gauge when to reopen church campuses. I anticipate our town hall will provide a lively dialogue about the tension between 'moving out in faith,' and the wisdom of heeding medical, scientific realities."

Additional information on the Moderator's Town Hall will be released shortly. To register, please visit tinyurl.com/modtownhall2020. To be added to the mailing list for the Moderator's Town Hall to receive updates, please email your contact information to cobmoderatoretownhall@gmail.com.
