

# INTERGENERATIONAL SHABBAT Camp Style

## Friday, Sept 2 6:30pm (outside by the main offices)

**Please bring your own chair.**

This summer we had 30 Shir Ami folks who spent time on a URJ Summer program. From young first-time campers to staff, we had representation at all of the various opportunities that our reform camping system provides, including Camp Harlam, Camp Newman, Six Points Creative Arts, Sports and Sci-Tech, and NFTY in Israel.

Please join us for our last Summer Shabbat Service. We'll gather outdoors and offer a camp style Shabbat service featuring some of the music that is very familiar to your kids.
