

Educational Presentation Opportunity – Poster Sessions

Are you a masterful magician at maintaining membership strength?

Do you enjoy crafting creative challenges for your club?

Are you a goofy, yet gifted guru of gestures?

If that sounds like you, don't miss out on this opportunity!

The Spring Conference could be your opportunity to show off your verbal and visual communication skills. For the first time at a District 42 Conference there will be educational **Poster Sessions**. We are looking for volunteers to create/present a Poster Session on a topic related to either leadership or communication.

Poster Sessions are posters that may include drawings, photographs, charts, graphs, and textual data related to a specific subject. Toastmasters will visit your Poster Session at a set time to view your information and ask questions about your display. (An example of a Poster Session topic may be "Five Ways to Engage your Club Membership"). To learn more about poster sessions please visit the D42 Spring Conference website.

Does this opportunity interest you? Do you want to be part of history at our first ever poster session?

If you answered yes to be part of this amazing opportunity, please email your topic, along with a short outline, to aschimdt@d42tm.org by February 28, 2019.

*Entries will be evaluated and members will be contacted by the middle of March.
