

2024 Charitable Works Survey/Report

Complete by January 1, 2025, and email or mail to:

Jane Potts, ldccwleadership@gmail.com or 75775 Road 344, Elsie NE 69134

The hope is this form will give you the opportunity to highlight projects that served the needs of your parish or community. This will allow us to share ideas across the Diocese. Under each of the Commissions below, please tell us about those projects. If you don't have a project to list in each commission, that's okay. Thank you for taking the time to share your contributions to your parish and community.
