

The 10th Eucharistic Congress took place in July. Parish Eucharistic Revitalization in 2024 to continue.

Plans are underway for the 11th National Eucharistic Congress scheduled for 2033.

Three Years of Abundant Grace and Transformation

“The bread that I will give is my flesh for the life of the world.

YEAR OF DIOCESAN REVIVAL

JUNE 2022-JUNE 2023

The Holy Spirit is inviting the United States to Eucharistic Revival. In this first year of response, we will:

- ◆ Invite leaders to discern how they will answer Our Lord's call
- ◆ Equip and prepare dioceses to foster the four pillars of the Revival in the upcoming Year of Parish Revival: Reinvigorating Worship, Personal Encounters, Robust Formation, and Missionary Sending
- ◆ Stir engaged Catholics to a renewed personal encounter with Jesus in the Eucharist

YEAR OF PARISH REVIVAL

JUNE 2023-JUNE 2024

Every parish in the country will experience profound renewal while participating in grassroots efforts inspired by the four pillars of the Revival. Parishes will be equipped with simple, proven tools to invite their community into the following:

REINVIGORATED WORSHIP

- ◆ Renew the emphasis on the celebration of the liturgy

PERSONAL ENCOUNTERS

- ◆ Host monthly Encounter Nights, featuring Eucharistic adoration and the Sacrament of Confession

ROBUST FORMATION

- ◆ Implement the "Jesus and the Eucharist" small group initiative

SEND MISSIONARIES

- ◆ Bring lapsed brothers and sisters home with the "Invite One Back" campaign
- ◆ Recommit to serving the poor in your community in a new way

YEAR OF MISSION

JUNE 2024-JUNE 2025

This third year of the Revival will be marked by historic initiatives that will propel our nation into a new chapter of faith and mission.

- ◆ Just as crowds followed Christ throughout his earthly ministry, our nation will process with our Eucharistic Lord from the north, south, east, and west edges of our country in the first-ever **National Eucharistic Pilgrimage**. Thousands will have a powerful opportunity for encounter and healing as Jesus comes to meet them on his way to the National Eucharistic Congress.
- ◆ The **10th National Eucharistic Congress** will be a milestone within the Revival and a historic moment for the Church in the U.S. The reinstitution of this legacy will gather 80,000 Catholics in Indianapolis for a transformative experience that will bear fruit for generations to come.

These pivotal moments will launch the United States into the Year of Mission, sending on-fire Catholics back out into the world to share Christ's love "for the life of the world." We will continue to spread the Revival movement throughout the Church's 2025 Jubilee Year and beyond.

There are so many ways our Lord communicates with us throughout the day. As we develop our relationship with Him, we learn to recognize His presence and His voice. Doing the Daily Examen is such a helpful way to look back on our day to reflect on His presence and when we may or may not have heard His voice.

Another useful tool as our relationship with Him grows is the prayer technique called Letcio Divina. If we want to develop a deep, vibrant relationship with Christ, then we need to pray—and not just memorize prayers or do spontaneous vocal prayer (as important as these are), but meditation and contemplation. It is in these ways of praying, the saints and mystics tell us, that we learn to listen to God...to hear the whispering of the Holy Spirit in our hearts, and to discern the will of the Father. "In prayer, more is accomplished by listening than by talking," says St. Francis de Sales. And St. Catherine of Siena advises that we must "exercise together mental and vocal prayer, for, even as the active and contemplative life is one, so are they."

**NEBRASKA WOMEN'S
ENCOUNTER IS ALL ABOUT:**

Women's Encounter can be described as a weekend where women encounter Christ in ways that are perhaps new or long-since felt. Through teaching, testimonies, and worship we'll dive deep into what it means to be a faithful follower of Jesus Christ.

You'll learn more about yourself, the body of believers around you, and most importantly, the God who created you. Get to know the sisters you have in the Lord and the community that awaits you. Whether your relationship is new or old, this weekend will be a blessing.

WHERE DOES IT SAY THAT

in the Pro-Abortion Ballot Proposal?

THIS CONSTITUTIONAL AMENDMENT...

REMOVES PARENTAL RIGHTS

By using all "persons" instead of "women," any girl under the age of 18 could have an abortion without her parent's consent or knowledge.

LEAVES "HEALTH" UNDEFINED

Court cases define "health" exceptions to include emotional, psychological, and familial well-being.

THREATENS ALL HEALTH AND SAFETY REGULATIONS

The amendment risks eliminating 50 years of common-sense protections for women and girls against unsafe abortion practices. After passing a similar constitutional amendment, Michigan quickly repealed informed consent laws, and state licensing and inspection requirements for abortion facilities.

GIVES ABORTIONISTS THE SOLE DISCRETION TO DECIDE VIABILITY

Women seeking an abortion don't see their OBGYN or family doctor. They go to abortion practitioners. This ballot initiative gives power to abortion practitioners, who may not even be licensed doctors, to decide whether a baby is "viable."

CREATES A RIGHT TO LATE-PREGNANCY ABORTION

Babies born as late as 32-36 weeks need machines to help them breathe. This is an "extraordinary medical measure" necessary for their life outside the womb. Under the ballot proposal language, these babies are not "viable" and may be aborted.

ARTICLE I, SECTION 31

OF THE NEBRASKA STATE CONSTITUTION
SHALL BE AMENDED TO READ...

"All persons shall have a fundamental right to abortion until fetal viability, or when needed to protect the life or health of the pregnant patient, without interference from the state or its political subdivisions.

Fetal viability means the point in pregnancy when, in the professional judgment of the patient's treating health care practitioner, there is a significant likelihood of the fetus' sustained survival outside the uterus without the application of extraordinary medical measures."
