

LINCOLN DIOCESAN COUNCIL OF CATHOLIC WOMEN

Charitable Works Survey

The three commissions of Spirituality, Service and Leadership work together to enrich the lives of Catholic women by supporting projects designed to further the spiritual and family life in all parishes and communities in Southern Nebraska!

This “pie in the sky” shows that LDCCW members not only hope something good will happen, BUT they make good things happen through prayer, devotion, service and leadership.

Thank you to everyone who took the time to complete the survey. There is no doubt that our ladies are out there doing the Lord's work. There are a lot of obstacles in our way to keeping our PCCW's thriving, but don't lose hope. Be sure and share any ideas you have with other parishes. It is always refreshing to try something new!

Thank you for all you do!
