

I have some BIG shoes to fill!! Judy worked very hard to update the LDCCW google sheet with the new Deanery and Parish officers. Please help me continue her efforts by emailing any changes to [ldccwleadership@gmail.com](mailto:ldccwleadership@gmail.com). Please include: Names, mailing addresses, City, State, zip code, email address and phone number. Together we can make sure everyone receives the current communications.

**PRAY:** Abortion activists are gathering signatures across Nebraska to put the right to late-pregnancy abortion in the Nebraska Constitution before voters in the November election. PRAY for the defeat of the pro-abortion initiative in your daily prayers. PRAY the Pro-Life Novena.

**SPEAK UP:** Share why this initiative is dangerous, deceptive, demeaning and too extreme.

**EDUCATE:** The Nebraska Catholic Conference Staff is ready and willing to speak to your parish to educate your community. We are all needed to protect the life and dignity of women, girls and babies by defeating the pro-abortion ballot effort.
