

Thank you for participating in the LDCCW Diaper Drive! It's amazing what a group of women can do working together!

We have embarked on the month of making memories by sharing in Jesus' birth. While I want to make this time special for my family, there are others I want to share this time with too. Sharing traditions with our community and church family is important not only for others but ourselves!

I direct the choir at Sacred Heart. I so appreciate our choir family and the traditions they carry on by providing music during Advent and Christmas. The first week in December our PCCW share a meal together. Everyone brings a covered dish and the PCCW officers supply the meat and potatoes. My grandmother invited me to my first Christmas PCCW meal. It was two months before she passed away. This is where I saw and felt the love that PCCW gave to her and I wanted to carry on that tradition. On the first Sunday in December, our community organizes a carol service. School children and adults gather to sing and then share a treat and a warm drink. This one-hour gathering compels you to reflect on the season.

Consider joining your church choir, organizing a gathering for your PCCW family and participating in or enjoying a community choir. Make this Advent and Christmas a memorable one for you as well as your family, parish and community. What Christmas traditions do you have in your parish? Please share with me at ldccwleadership@gmail.com

It is also time for supporting LDCCW and our projects. Please click on this link to download the Remittance Form. On the first page of the form is the donations each PCCW is asked to donate to. On the reverse side, there are other very worthy causes that can be supported. Please write separate checks for each project with proper notation.

Make a joyful noise!
